5.6" Test Monitor

Auspice Star

ASR56 CCTV testing monitor kit provides a portable 5.6" LCD monitor that is great for video surveillance system installation jobs and also works as a great desktop monitor when a small monitor is needed. The 5.6 inch LCD screen provides a larger view than most other service monitors that are available. This testing monitor supports video input from both PAL & NTSC CCTV cameras. **The ASR56 includes a rechargeable battery. The charger for the power supply.** If you want to use device as a more permanent solution for an installation instead of for CCTV camera testing, **a permanent power supply is included and the monitor has a desk stand that pops out from the back of the body of it.**

Features

- 5.6" LCD Monitor
- BNC Video Input
- Video / NTSC auoo awitch
- Application; CCTV Testing and monitoring
- Rechargeable Batteries & Power Supply for Charging
- Nylon Carry babg
